

Empower Your Team with the Latest Advanced Python and Machine Learning Skills

Onsite Training

A combination of traditional lecture and guided lab assignments.

- Fastest method to learn new skills
- Valuable face to face learning experience
- 1 on 1 discussions

Online Training

A live online lecture with Q&A, followed by offline lab sessions twice per day with a final online debrief at the end of each day.

- Economical
- Quick scheduling
- Good for multiple locations

1 On 1 Coaching

Onsite or online 1 on 1 coaching program structure that is flexible and can be designed to fit the learner's needs.

- In-depth learning
- Ideal for getting from novice to expert

We will deliver the training your team needs to get to the next level of performance.
